

# Large Vehicle Template Set

Only \$20.75 includes shipping & handling

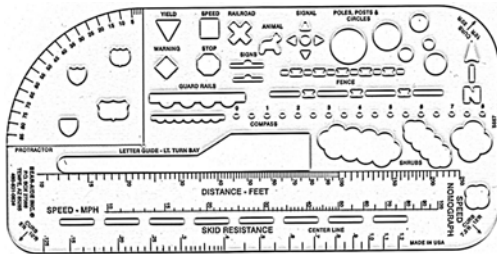

Each Template 4" X 8"

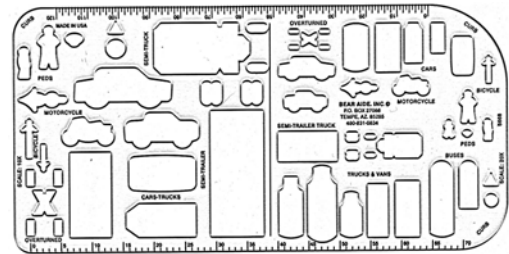

The Large Vehicle Template Set has three 4 inch by 8 inch templates in a sturdy leatherette case. The templates are categorized as Municipal Vehicles, Farm/Recreational Vehicles and Construction Vehicles. The scale of the cutouts is **one inch equals twenty feet** and the templates are compatible with the Universal Traffic Template Set, the Double Traffic Template Set, the Pocket Traffic Template Set, the Boat Template Set and the Railroad Template. These templates are designed for use with a medium ballpoint pen.

# Double Traffic Template Set

Only \$14.95 includes shipping & handling

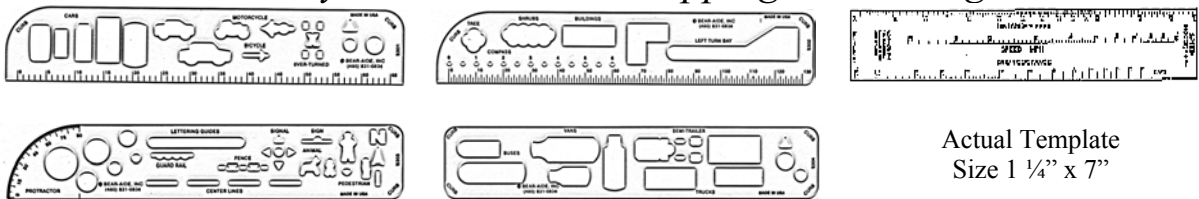

Each Template 4" X 8"

This two template set comes in a sturdy black leatherette carrying case. These templates are designed for use with a medium ballpoint pen. The symbols are conveniently grouped with vehicles and pedestrians on one template and miscellaneous symbols, including a speed nomograph, protractor, compass, etc., on the other. The vehicles and pedestrians are provided in two convenient scales – one inch equals 20 feet and one inch equals 10 feet. Two scale rulers are included.

# Universal Traffic Investigation Template Set

Only \$13.95 includes shipping & handling

Actual Template Size 1 1/4" x 7"

This set of five templates comes in a sturdy black leatherette carrying case. These templates are designed to be used with a medium ballpoint pen. The set includes an accurate speed nomograph, protractor and compass. The universal set is scaled at **one inch equals 20 feet** and includes a scale ruler.
